# STEP-IN binding

for shoe sizes (US M 4-14)\*

- 1 open heel block.
- 2 flip back the metal loop on toe piece
- 3 ADJUST TOE BAR  
push down the metal loop
- 4 reposition the metal loop to fit your boot size.  
pull up the metal loop in the right position.
- 5 Position your boot in the front loop
- 6 position the heel block matching your boot size. To do so find the little lever at the rear end of the heel block and lift to move the heel block back- and/or forward. .
- 7 once positioned the heel block correct step in with your heel and make sure the heel block rest in.
- 8 please check the ISO adjustment of your binding. It should be adjusted to the highest available level. Caution: this is not a safety binding!.

Be aware of run a way material:

A) always put the footski down above your Snowbike upside down to prevent run away situations.

\* depends on shoe type and producer and may vary for different shoe

## Things you should know

### Fun

Winter sports offer a lot of variety and fun. Always be aware that sports in general may be risky. For your personal safety please make yourself confident with the responsibility code and owners manual.

### Workshop

To control and enjoy your Snowbike<sup>®</sup> we highly recommend to attend a Snowbike Workshop with a professional Snowbike<sup>®</sup> trainer. How to load a Snowbike<sup>®</sup> onto the lift and various riding techniques will be taught. Snowbike<sup>®</sup> a smile after every run is guaranteed.

### Responsibility code

Please find out about national or local regulations and laws before you operate your Snowbike<sup>®</sup>.

### Health Care

Riding a Snowbike<sup>®</sup> is fun. If you have any health concerns, please consult your doctor first.

### Warning

Check your Snowbike<sup>®</sup> prior to every run. Your Snowbike<sup>®</sup> is exclusively designed for use on groomed slopes only. Please stay on designated slope areas only. Always keep both hands on the handle bar and hold tight. Do not use your Snowbike<sup>®</sup> without footskis. No passengers allowed. Do not replace or change any original parts on the Snowbike<sup>®</sup> with non-Breiter parts. For your own safety and the safety of other slope users do not jump with your Snowbike<sup>®</sup>. Always stay in control of your speed.
